

# why SIMPLICITY?

Some may have seen our biography at our booth that explains this question quite simply.

We create things you don't NEED,  
but deep down your soul REQUIRES.  
We hope to bring more peace and calmness to  
your environment and lives

## we live...

speed  
change  
uncertainty  
bombardment of Information  
ultra technology

## we create...

quiet  
calm  
peace  
simplicity  
by hand

“Comfort . Hospitality . Welcome . Warmth” | 50” x 30” each | The Westin Washington Dulles Airport

My comfort level is in visual simplicity, Space to breathe.  
When it gets too complicated I have a hard time breathing.  
We hope you ENJOY!
